#### What does the Company do?

Evolution is a tightly focused team of industry professionals delivering premiere events to a select group of clients.

#### What is the background of the Company?

Evolution was formed in 1996 and with over ten years of operation, the company has established a reputation for delivering innovative event solutions, and continues to manage events for some of the largest brands in the UK and USA.

#### What are the unique selling points of the business?

Clients have the support of a substantial organization, who are committed to quality. We are fully accredited to the ISO9001 international quality standard - Evolution is one of the few conference agencies to achieve this.

- We eliminate risk - our experience allows us to predict outcomes, potential difficulties, perform risk assessments and therefore implement successful and risk free strategies.
- We manage change - we are a dynamic and flexible agency, who reacts quickly and positively to the ever changing demands of the work place.
- We fit into your team - reducing your workload, sharing responsibility and delivering tangible results.
- We take away the stress - supporting you every step of the way, we look at your challenges and provide solutions of what we can do to help you address those challenges.
- We go that extra mile - not just providing a high standard of service, but giving that crucial extra effort when it really matters.
- We add value - take advantage of our experience and creativity to incorporate extra initiatives and enhancements that provide tangible and measurable benefits.
- We manage to negotiate savings- With over 10 years in the business, this has allowed us to build solid relationships with our suppliers, meaning we can negotiate the best deal for you without compromising quality.
- We're a friendly bunch - and easy to work with. We never forget it should be an enjoyable journey.

#### Who are your major clients?

Evolution's client base continues to grow, with Evolution producing events for BT, Unisys, MSN, The Crown Prosecution Service, Microsoft, Nintendo, Sony, Embraer, and Yahoo.
